### Automatic Scans and Around-the-Clock Protection

Intego VirusBarrier X9 scans files whenever they're accessed and automatically checks for the latest updates to make sure you're protected against the newest Mac threats as well as any Windows threats.

### Provides Automatic Protection While You're On the Go

Use Intego NetBarrier X9 to switch to the best level of protection no matter where you are. We'll prevent strangers from accessing your Mac's contents that would otherwise be exposed in an unsecure setting.

### Provides a Safe Surfing Environment for Family Members

Use Intego ContentBarrier X9 to block out objectionable categories of Internet sites. You can also set up a specific list of websites that get the parental thumbs up so your kids can access them without accidentally running into a filter.

### Backs Up Essential Files and Schedules Automatic Backups

Intego Personal Backup makes copies of your files for quick and easy recovery from unfortunate incidents like theft, data corruption, or natural disasters. Run manual backups or create an automated schedule.

### Cleans Out Stored Information Quickly and Efficiently

Use Mac Washing Machine X9 to speed up your Mac by reclaiming space on your startup drive. Mac Washing Machine seeks out and removes duplicates and other unneeded files, frees up hard disk space to speed up the operating system, organizes the Dock and Desktop, and lets you create Smart Folders for quick access to frequently-used files.
